ALL STUDENTS ARE LEARNING IN AN ENVIRONMENT THAT IS ACADEMICALLY STIMULATING, SAFE, SUPPORTIVE AND WELCOMING.

Our primary commitment is to the care, wellbeing and growth of each student. This commitment is built on the foundations of strong student discipline, complimented with effective pastoral support and curriculum enrichment programs.

WHAT SETS US APART?

- a culture of academic excellence
- experienced, dedicated and professional teachers
- a highly successful creative and performing arts program
- outstanding wellbeing and pastoral care programs
- a unique Targeted Sports Program
- a community in partnership
- an inspirational learning environment
- an innovative approach to teaching and learning
- a world of opportunity

The school, established in 1964, is situated at Caringbah in the Sutherland Shire of Sydney.

OUR VISION IS TO PROVIDE A TEACHING AND LEARNING ENVIRONMENT THAT ESTABLISHES HIGH EXPECTATIONS FOR ALL AND DELIVERS ENHANCED ACADEMIC RESULTS. THE CORE VALUES OF OUR SCHOOL CULTURE ARE ACADEMIC EXCELLENCE, PERSONAL BEST, COMMITMENT AND RESPECT.

In 2016 the Principal, James Kozlowski, was awarded the Ultimo Operational Directorate Principals Network Award for Significant Achievement as a Principal.

In 2017 the school was awarded the Ultimo Operational Directorate Principals Network Award for Significant Achievement as a School or Community of Schools.

In 2018 Endeavour Sports High School was awarded the Australian Secondary School of the Year (Government). We received this at the Australian Education Awards in recognition of our success across the entire school. This highly prestigious award has given the school Australia-wide recognition.

In addition, we were recognised as the High School of the Year by the Australian College of Educators St George & Sutherland branch at the World Teachers' Day Awards.

The school's extension class program, Science, Technology, Engineering and Mathematics (STEM) program and High Expectations Policy ensure that academic success is our number one priority.

Staff work collaboratively and in partnership with parents/carers to ensure all students leave our school with many options.

We aim to ensure that every one of our students reaches their academic potential, and our student leadership programs are producing of leaders of the future.

The school has a Targeted Sports Program (TSP) where we balance academic AND sporting success.

Our High Expectations Policy has been implemented to ensure students are performing academically in order to participate fully in the Targeted Sports Program and extra curricular activities. Students need to meet three criteria in order to experience the full benefits of the Targeted Sports Program. Students need to record above 90 percent attendance, exhibit consistently good behaviour and complete all their academic tasks. If students do not meet these three criteria their involvement in the TSP and extra curricular activities is restricted until the next review.

Research shows that talented athletes tend to have above average intelligence and can have both academic and sporting success.

There are many opportunities at our school that assist in the achievement of academic excellence, such as STEM, Coding, Gifted and Talented field trips, debating, public speaking and student leadership opportunities.

A HSC mentor, who has a doctorate in raising student achievement, is for those in the critical senior years.

SCHOOL STRUCTURE TO SUPPORT ACADEMIC PERFORMANCE, SPORTS PERFORMANCE AND STUDENT WELLBEING

Jocelyn Gooch
Deputy Principal

James Kozlowski
Principal

Nagla Jebeile
Deputy Principal

PRINCIPAL

The Principal of Endeavour Sports High School is entrusted with the education of some of the brightest and most talented students in the country. Endeavour is a dynamic, innovative and future focused school with a range of opportunities for students to experience success within and beyond the classroom. The strategic leadership of the Principal is instrumental in guiding the school's executive and teachers to reach the highest of standards in teaching to enable every student to reach their academic potential. The Principal ensures that at Endeavour we have academic success firmly embedded as our number one priority in all that we do.

SENIOR EXECUTIVE

The Deputy Principals support the Principal in providing both strategic and day to day leadership of the school. Our Deputy Principals are responsible for specifically designated areas, including innovation in technology, teaching and learning, improvement and compliance processes, human resources, parent and community relations. In addition, the Deputies monitor student and staff wellbeing, academic performance and sporting achievements. They also conduct High Expectations Reviews and deliver whole school professional learning programs to continually improve teaching and learning outcomes.

DIRECTOR OF SPORT

The Director of Sport is responsible for the Talented Sports Programs and the performance of all elite athletes, coaching programs and sports competitions.

The Director of Sport coordinates day to day sport organisation, delivers professional learning for the Talented Sports Program, and oversees coaching and wellbeing in the sporting arena.

HEAD TEACHERS

Head Teachers are our subject masters. Academic departments are led by Head Teachers, who are responsible for each curriculum area, teaching programs, assessment and reporting. Head Teachers monitor and report student academic performance and review all academic programs of study. Head Teachers work collaboratively with teachers to develop, enhance and innovatively teach programs that maximise student learning outcomes.

YEAR ADVISORS

Year Advisors are the first point of call for students when they need advice, direction and assistance with concerns. They accompany the students on camps and excursions to build rapport with students. Year Advisors and teachers care for and value each student. Parents are welcome to contact Year Advisors at any time for a report on a student's learning progress.

WELLBEING MENTORS

Mentors collaborate with students each day to deliver study skills and wellbeing programs. Mentors work with groups of students to ensure they maximise their learning opportunities and in the classroom and beyond to ensure they engage successfully across the school.

THRIVE, CONNECT AND SUCCEED
WITH A COMMUNITY OF EXPERTS

COUNSELLORS

Counsellors provide valuable support, counselling and psychological assessment for students with specific needs. Their daily work includes counselling students, assessing students' learning and behaviour, helping families make informed decisions about their child's education, identifying impediments to students' learning and liaising with external agencies regarding students' wellbeing.

HOMEWORK TUTORS

A selection of teachers from Endeavour assist students as homework tutors by providing individualised support to understand and complete coursework, homework, projects or tasks.

LEARNING SUPPORT TEACHER TEAM

Learning Support Teachers are experts in assisting teachers in the classroom. They have experience in supporting English as an additional language or dialect (EAL/D) learners and students with learning difficulties. They work closely with teachers to identify students requiring additional support to access the syllabus content and employ strategies to maximise learning.

CAREERS ADVISOR

The Careers Advisor provides guidance and advice to help students explore their education and career options, create a resume, search for jobs, apply for jobs or apply for further study. The CA also liaises with parents, teachers, employers, community agencies and training providers. They have a wealth of knowledge to guide students into successful tertiary pathways.

LIBRARIAN

Our Librarian supports students with research and study skills. The Librarian provides assistance for students to successfully complete tasks, projects and coursework. Access to technology, books, websites and printing are all part of the library's facilities.

EXPERT TALENTED SPORTS COACHES, PHYSIOTHERAPISTS, STRENGTH AND CONDITIONING COACHES

Students are coached by highly qualified experts in Talented Sports Programs, and engage in strength and conditioning. Students also have access to physiotherapists and Sports Scientists. Sydney FC have an office in Endeavour Sports High School and major partnerships exist with the likes of the Sydney Swans, Cronulla Sharks, Hockey NSW, Cricket NSW, Netball NSW, Baseball NSW and Basketball NSW.

SYDNEY UNIVERSITY SPORTS SCIENCE PROGRAM

Endeavour was the first school in Australia to develop a partnership with the University of Sydney in the delivery of sports science.

SENIOR CURRICULUM YEARS 11 AND 12

A BROAD CURRICULUM CHOICE IS OFFERED. COURSES OFFERED INCLUDE:		
English	Mathematics	Science
English Extension 2	Mathematics Extension 2	Biology
English Extension 1	Mathematics Extension 1	Chemistry
English Advanced	Mathematics Advanced	Earth and Environmental Science
English Standard	Mathematics Standard 2	Investigating Science

Society and Culture	Food Technology	
	Industrial Technology	
	Textiles and Design	
Sport Science	Languages	
Sport, Lifestyle and Recreation	All languages offered	
Personal Development, Health and Physical Education	Modern Greek Beginners	
	Modern Greek Continuers	

A PLACE TO DREAM BIG, WORK
HARD AND SURROUND YOURSELF
WITH TALENTED PEOPLE

PATHWAYS TO FUTURE CAREERS

There are many curriculum study patterns for students to take to prepare them for future pathways in tertiary education, TAFE and the workplace. Endeavour offers two distinct pathways for students to explore their strengths and interests to prepare them for future careers.

The *Higher School Certificate* is a program of study with English as the only compulsory subject. The students have access to a wide range of academic and vocational school based courses, TAFE courses and traineeships. Students in Years 11 and 12 can choose from over 35 courses.

Various subjects involve major projects and performances, and also involve a combination of internal and external assessment.

Vocational Education and Training (VET) courses are dual pathways that provide students with the opportunity to achieve a HSC and nationally recognised Certificate II or Certificate III qualifications in areas of student interest. Traineeships and

apprenticeships can also be accessed for interested students.

Vocational Education and Training (VET) in Schools and at TAFE (TVET) can be studied as part of the New South Wales HSC course. They provide credit towards a nationally recognised VET qualification within the Australian Qualifications Framework and are used to qualify for the HSC and in some cases contribute to a student's ATAR. VET and TVET opportunities continue to play an important role at Endeavour and provide students with a real alternative to the traditional HSC.

Careers coaching and academic mentoring for inspiration and study success are available for all senior students. Seniors participate in a structured mentoring program which is focused on subject choices, study techniques, student organisation, time management and motivation to achieve their academic personal best.

JUNIOR CURRICULUM YEARS 7 - 10

A BROAD CURRICULUM IS OFFERED ACROSS ALL EIGHT KEY LEARNING AREAS:

Years 7 and 8	
English	Music
Mathematics	Visual Arts
Science	Drama
History and Geography	Dance
Technologies	PDHPE
Language - Greek	
Years 9 and 10	
Students are preparing for the NSW Record of School Achievement (RoSA) and continue their study of core courses:	
English	Australian History
Mathematics	Geography
Science	PDHPE

IN ADDITION, STUDENTS SELECT THREE ELECTIVES FROM THE FOLLOWING COURSES OFFERED:

Applied Sport	iSTEM
Commerce	Mathematics Extension
Criminology	Metal Technology
Dance	Music
Design and Technology	PASS Movement Education
Drama	PASS Rugby League
Food Technology	PASS Sports Science
Forensic Archaeology	Textile Technology
Geography	Timber Technology
Greek	Visual Arts
History	TSP Targeted Sports Program
Information Software and Technology	

ACADEMIC ENRICHMENT

STUDENTS ARE PLACED INTO THE EXTENSION CLASSES BASED ON ACADEMIC CRITERIA.

The Extension class students in year 7 will have sat the entrance assessment test during the previous year. Teachers differentiate their programs to provide enrichment and acceleration for the identified Gifted and Talented students. Additional programs, strategies and experiences are provided that will further extend and enrich the learning of these students.

EXTENSION CLASS COORDINATORS

Specialised teachers coordinate the Gifted and Talented Extension Class Educational and Extra Curricular programs. Coordinators develop individual programs to extend students based on their strengths and interests.

EXPERIENCE ACADEMIC SUCCESS
FROM A COMMUNITY OF
INSPIRATIONAL EDUCATORS

EXTENSION PROGRAM

HERE AT ENDEAVOUR WE ARE DEVELOPING AND IMPLEMENTING MANY INITIATIVES TO CATER FOR STUDENTS WITH DIVERSE NEEDS AS WELL AS FOR THOSE PRESENTING CHARACTERISTICS OF GIFTEDNESS, TALENT AND CREATIVITY.

Through a differentiated curriculum, our highly qualified and experienced staff enrich, extend and accelerate our students academically, in sport and through the creative and performing arts.

The co-ordinator carries out parent, teacher and student surveys on each child in the extension class so that characteristics of their talent or giftedness can be identified. We focus on providing real world, project-based learning opportunities to extend and enrich the learning of our students.

To apply for the Extension Class Entry Test contact the school.

ACADEMIC OPPORTUNITIES AT ENDEAVOUR:
STEM
Band and Ensembles
Chess
Dance
Debating Years 7-12
School Representative Council
Prefects
Public Speaking
Peer Mentoring
Mathematics, Science, English and HSIE competitions, Inquisitive Minds and Decathlons
Reading Club
Short Film by the Sea, production and media
GAT field trips and incursions in English, History, Geography, Science, Maths, Music, Art and Technologies

CREATIVE AND PERFORMING ARTS

ENDEAVOUR GIVES STUDENTS THE OPPORTUNITY TO UNLEASH THEIR CREATIVE FLAIR THROUGH MUSIC, DANCE AND DRAMA PERFORMANCES, COMPETITIONS, EXHIBITIONS AND ENRICHMENT PROGRAMS.

We offer students with particular interests and talents the opportunity to participate in local and statewide activities in visual arts, music, dance and drama.

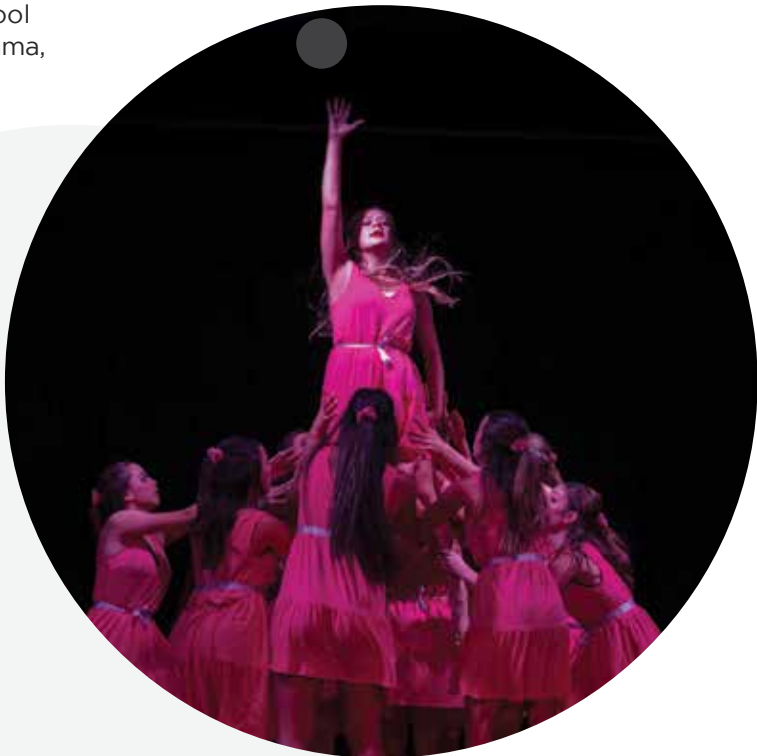

At Endeavour, students who excel in dance also have the opportunity to audition for our Targeted Sport Dance Program.

Students at Endeavour Sports High School also participate in the Schools Spectacular which is a world-class arena production and one of the largest annual events of its calibre in Australia. Schools Spectacular delivers outstanding, cutting-edge artistry in dance and musical performance and is televised nationally in prime time.

Our annual Performing Arts Showcase is a highlight of the Endeavour calendar and brings the whole school community together to celebrate the music, art, drama, dance and cheer leading talents of our students.

WE CURRENTLY HAVE THE FOLLOWING PERFORMING ARTS GROUPS:

- | |
|------------------------|
| 1. Stage band |
| 2. Junior Ensemble |
| 3. Percussion Ensemble |
| 4. Elective Music |
| 5. Vocal Ensemble |
| 6. Dance |
| 7. Drama |

ASPIRE TO PERFORM AND DANCE LIKE A CELEBRITY

“ENDEAVOUR SPORTS HIGH IS WHERE SPORTS STARS ARE MADE. IT IS ONE OF SEVEN SCHOOLS IN NSW WITH A TARGETED SPORTS PROGRAM, BUT ITS PARTNERSHIPS WITH LEADING TEAMS FROM ACROSS THE STATE HAVE RESULTED IN DEMAND FOR A SPOT AT THE SCHOOL SKYROCKETING.”

SYDNEY MORNING HERALD

TARGETED SPORTS PROGRAM

EDUCATIONAL PROGRAMS AT ENDEAVOUR ENCOURAGE STUDENTS TO ACHIEVE PERSONAL EXCELLENCE ACROSS A RANGE OF AREAS: ACADEMIC, CITIZENSHIP AND THE CREATIVE AND PERFORMING ARTS, WHILE PURSUING THEIR SPORTING DREAMS AND GOALS.

We believe in developing the whole child so they receive a well-rounded education and are best

prepared to thrive during life after school. Students are offered flexible timetabling for academic studies.

Students in the Targeted Sports Program have access to highly qualified coaches, strength and conditioning programs and a unique range of state-of-the-art sports facilities. Support services include the expertise of physiotherapists, sports scientists and strength and conditioning coaches. Sports science testing is conducted by the University of Sydney and we collaborate with state and national sporting bodies to provide aspiring athletes with the skills needed in elite level sport.

TARGETED SPORTS PROGRAM

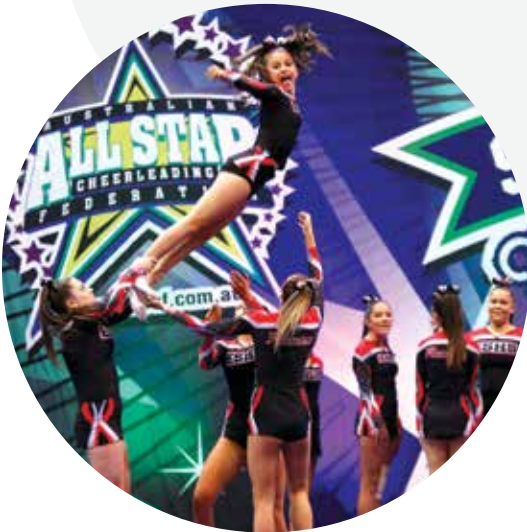

SPORT AND PHYSICAL ACTIVITY IS A KEY COMPONENT OF THE CURRICULUM AT ENDEAVOUR AND ALL OF OUR STUDENTS ACTIVELY TAKE PART IN THESE ACTIVITIES.

As a school, we value and accept sport as a cornerstone to the development of a student's social, physical, emotional and moral learning. It is an expression of our culture, a form of participation and enjoyment, and an opportunity to develop and refine skills.

Students have the opportunity to represent Endeavour at various inter-school sporting competitions. As a NSW public school we benefit from the opportunities for shared activities and competitions with other schools, coordinated by school sport associations.

ENDEAVOUR SPORTS HIGH SCHOOL OFFERS A RANGE OF TARGETED SPORTS PROGRAMS. BELOW IS A LIST OF THE PROGRAMS OFFERED:

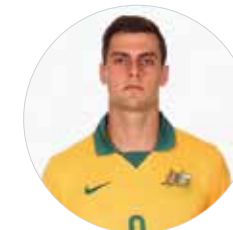

AFL	Gymnastics
Athletics	Hockey
Baseball	Netball
Basketball	Rugby League
Cheerleading	Rugby Union
Cricket	Softball
Dance	Swimming
Football	Tennis

STEM EDUCATION PROGRAM

OUR STEM EDUCATION PROGRAM OFFERS OPPORTUNITIES TO PARTICIPATE IN THE LEGO ROBOTICS CHALLENGE, ANSTO STEM CHALLENGE AND UNIVERSITY SCIENCE AND ENGINEERING CHALLENGE.

Elective iSTEM courses are offered for year 9 and 10 students to explore Engineering. Concepts such as motion, mechanics, aerodynamics, mechatronics and design for space are valuable experiences for interested students. Endeavour Sports High School is the winner of the 2019 Science and Engineering Challenge for Illawarra and South East Region hosted by the University of Wollongong and the Office of the Chief Scientist and Engineer.

STUDENT WELLBEING AND LEADERSHIP

EVERY STUDENT HAS THE POTENTIAL FOR LEADERSHIP, AND AT ENDEAVOUR WE ENCOURAGE STUDENTS TO BE LEADERS ACROSS ALL AREAS OF THEIR SCHOOLING LIFE: FROM THE CLASSROOM, TO THE PLAYGROUND, TO THEIR SUPPORT OF THEIR FELLOW STUDENTS.

We help students to develop themselves as leaders in academics, cultural and sporting activities, as well as community events and projects.

The school also has dedicated Student Leadership Programs that include:

SENIOR STUDENT EXECUTIVE

The students and staff of Endeavour Sports High School elect 2 Captains and 2 Vice-Captains as well as 4 senior prefects to lead and represent the school for the following 12 months. Their duties require them to act as positive role models and display school leadership both within the school and in the community.

STUDENT REPRESENTATIVE COUNCIL (SRC)

The SRC is comprised of student representatives from Years 7-11, elected by their peers and staff. They actively work within the school community, acting as leaders in developing a responsible and caring school environment.

PEER SUPPORT

Selected Year 10 students receive training and support in conducting peer support sessions to assist Year 7 students in their transition to high school. Mentors work in pairs to conduct team building and social skills sessions with small groups of Year 7 students under the supervision of teachers.

EXTRA-CURRICULAR

STUDENTS ALSO PARTICIPATE IN PUBLIC SPEAKING, DEBATING, PREMIER'S READING CHALLENGE, CHESS CHAMPIONSHIP, DUKE OF EDINBURGH AWARD, MIND MARATHON, ANSTO SCIENCE CHALLENGE, ENVIRONMENTAL PROGRAMS AND SPECIAL INTEREST GROUPS, INCLUDING BAND AND ENSEMBLES.

Endeavour Sports High School offers students in Year 9 to Year 12 the opportunity to participate in The Duke of Edinburgh's International Award.

The Award is an enriching program that invites young people to participate in a number of activities over a set length of time. Participation is entirely voluntary and is structured so students can design their own unique program centred on their interests and passions.

Students are able to participate in three award levels: Bronze, Silver and Gold. Each award has four sections, Physical Recreation, Skills, Service and Adventurous Journeys.

The Duke of Edinburgh's Award is about setting goals. These goals are realised with persistence, determination and resilience and will see the student become better prepared for life's challenges in the future.

Our successes since introducing this award have enabled ESHS the opportunity to meet with Prince Edward as part of the 60th anniversary of the Award operating in Australia. The students also participate in adventurous journeys operated by the school itself.

HIGH PERFORMANCE UNIT

THE FIRST OF ITS KIND IN NSW, THE HPU HAS BEEN ESTABLISHED TO SUPPORT THE TARGETED SPORTS PROGRAM. THE VISION BEHIND THIS INITIATIVE IS TO CREATE AN INTEGRATED ONE-STOP-SHOP APPROACH TO PROVIDING OUR STUDENTS IN THE TSP WITH THE OPPORTUNITY TO ACCESS HEALTH AND PERFORMANCE SPECIALISTS, LARGELY ONSITE AT ENDEAVOUR, OUTSIDE OF AND DURING SCHOOL HOURS.

The Endeavour Sports HPU provides sports medicine, sports science and strength & conditioning to our student athletes, optimising their athletic development by further supporting their performance needs.

Through our affiliations and partnerships with highly qualified, experienced and in-demand professionals in their chosen fields, the HPU has assembled, arguably, one of the best sports science teams in the country.

Student athlete medical and support services include physiotherapy, massage therapy and dietetics - located in our Sports Science Centre on the grounds of Endeavour Sports High School during scheduled hours. Other services including performance psychology, podiatry and sports medicine - made available by referral to local off-site providers.

FACILITIES

WHEN YOU STRIVE FOR EXCELLENCE IT IS IMPORTANT THAT YOU RESOURCE FOR EXCELLENCE.
HERE ARE SOME EXAMPLES:

1. Our completely refurbished library provides an educational space with flexible learning areas, enhanced access to technology and a welcoming environment for a variety of teaching and learning activities.

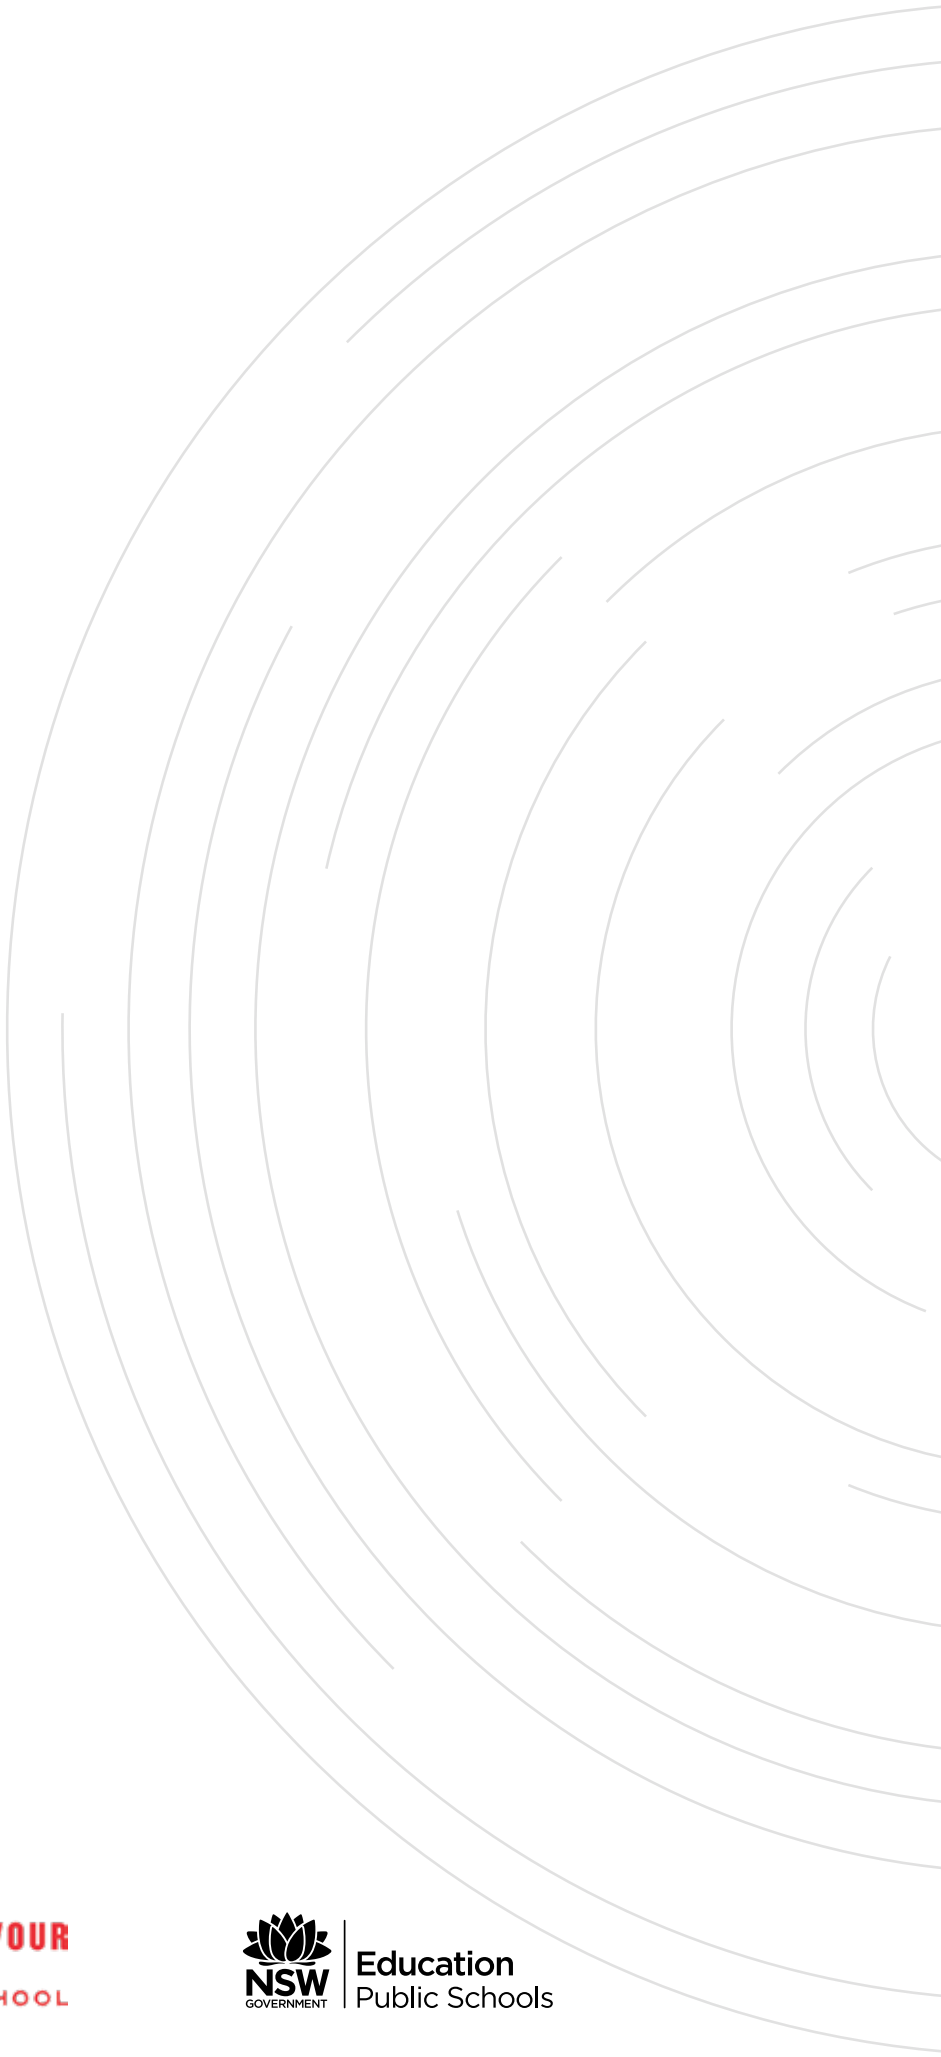

2. The High Performance Unit brings the latest in services provided by sports science health professionals to our student athletes: physiotherapy, sports medicine, elite massage therapy, sports nutrition and psychology.

3. The Sports Science Centre not only incorporates the HPU but also provides Australian Institute of sport standard strength and conditioning facilities.
4. Our Cricket High Performance Centre is undoubtedly one of the best training facilities in Southern Sydney.

5. The 5 Sports facility located on our grounds is used exclusively by our students throughout the school day. Providing a full-sized artificial turf field and dozens of mini-fields, it is a world class sporting facility.

6. Other high performance facilities include a multi-purpose indoor gymnasium, two multi-purpose outdoor courts, two tennis courts, an undercover basketball court, a full sized rugby league/union field, a smaller sized cricket and AFL oval and a dance studio.
